Box Non-Fee Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This Amendment is in response to the Office Action, dated July 3, 2003 (Paper No. 8), in which claims 1-14 (or claims 1-16) stand rejected under 35 U.S.C. 101 for double patenting and claims 9-14 stand provisionally rejected under the judicially-created non statutory obvious-type double patenting . In this Amendment the applicant has not amended nor cancelled any of the claims nor added any claims. Consequently, claims 1-16 remain under consideration in this Amendment.

Attorney for the applicant contacted the Examiner on July 11, 2003 noting that the Office Action stated that claims 1-14 were currently pending in this application. In actuality, claims 1-16 are currently pending. For the purpose of replying to the outstanding Office Action, and eliminating the need for another additional or supplemental Office Action, Examiner Green and Applicants

attorney, the undersigned, agreed that any place that claim 14 was rejected, claims 15 and 16 would be considered to be rejected as well and on the same basis.
